THANK YOU FOR HELPING AT

SENIORS' DAY

On August 29, **more than 550 guests** gathered at Bellevue City Hall for Kin On Seniors' Day to celebrate connection, culture, and community.

Over 50 volunteers made the day a success, from setup, greeting, and check-in to parking, workshop and language support, food service, stage operations, and photography.

Thank you for your time, your energy, and your kindness. We couldn't have done it without you!

KIN ON HAS BARISTAS? YES, AND THEY'RE AMAZING.

CROSS-CULTURAL COMMUNITY CAFE

Over the past few months, our **Cross-Cultural Community Café series** connected people across cultures and raised dementia awareness in a warm, positive way, over coffee and tea prepared and served by trained Kin On volunteers.

At our final session this September, guests of all backgrounds, people living with dementia, and caregivers sang and danced to music from the Hana Hou Ukulele Band, then wrote what they're grateful for on the leaves of our Gratitude Tree.

None of this would have been possible without our volunteers. Our baristas trained from scratch to serve the best cup to every guest, while our servers and table hosts kept every session smooth and welcoming. We are so grateful for you!
