

JOB OPPORTUNITY

Job Title: Resident Care Manager (RCM)
Reports To: Director of Nursing Services (DNS) and Assistant Direct of Nursing Services (ADNS)
Job Location: Seattle, WA
Hours/Schedule: Full time

JOB DESCRIPTION

The Resident Care Manager is responsible for supervising, implementing, coordinating, and managing resident care through interpersonal contact with residents, families, nursing staff, and others in accordance with all applicable laws, regulations, and Kin On policies and procedures.

ABOUT KIN ON

Kin On is a non-profit organization rooted in the Asian community for more than 30 years. Kin On's mission is to honor, support, and advocates for our Asian elders and families in the Puget Sound region by offering culturally and linguistically appropriate health, social, and educational services.

As an award-winning 24/7 skilled-nursing facility, Kin On Rehab and Care Center is dedicated to offering culturally appropriate long-term and short-term transitional care to Asian seniors. Our Community Care Network provides an array of in-home and support services including: Family Caregiver Support, Home Care, Healthy Living Program and Chronic Care Management Program.

In addressing the unmet needs of the community, Kin On is undergoing a major capital expansion to create an aging-friendly campus to include a Community Center, Assisted Living Facility and Adult Family home (expected completion by Autumn 2018).

SPECIFIC REQUIREMENTS

- Have expert knowledge in field of practice
- Possess the ability to make independent decisions when circumstances warrant such action
- Knowledgeable in nursing practices and procedures, laws, regulations, and guidelines governing nursing functions in the post-acute care facility such as the Resident's Bill of Rights and HIPPA
